

History Has Been Made !

For the first time a Perendale was selected as the Supreme Champion Wool Sheep of the Canterbury Show.

Congratulations to the owners of Mapari 504/07, Newhaven and Oakfield Studs and the breeders Paul and Ann Evans.

He looked magnificent in the main ring with halter on, and exhibitor Robert Gardyne in control. There was a great Perendale support crew who cheered from the grandstand.

.....

The Royal Show in Hamilton also saw the Perendale reign Supreme...

A Kylemore Ram exhibited by John Spellman did the breed proud while the Golden Sash was won by Graeme and Sue Maxwell.

Congratulations to all exhibitors at all the spring shows. The effort put into both the Waikato and the Canterbury Shows by their respective judges, has to be commended—a lot of travel and time.

Thank you Rae Mitchell, Alan Williamson, Gilbert Timms and Graeme Maxwell for all your expertise and effort.
